Grade 10 Course Selections – TDChristian High School

Instructions and Course Options for 2024-25

As a grade 9 student, you need to complete your course selections for Grade 10. Please read and follow the instructions carefully and in order.

Grade 10 students need **six compulsory** credits (English, Math, Science, History, Civics/Careers, Bible) **and two elective courses** (Two of Phys-ed, Art, Music, Drama, STEM, Comm Tech, French, EBlock, and Resource). See the back of this page to rank your elective courses before choosing them in My Blueprint.

1) Log-in to your **My Blueprint** account via the Splash! Page. You may need to create a My Blueprint account using your OEN number (located on Report Cards or available from Guidance).
2) From Home menu, click on "High School."
3) Add courses to your High School Plan. Courses you have completed and/or are currently taking in Grade 9 should be listed under the Grade 9 column.
   a. Under the Grade 10 column, click on a **compulsory course** to select a course for that discipline, and click on the appropriate course.
      i. This will take you to the *Course Information* page where you will see the course description and prerequisite requirements.
      ii. If you do not have the prerequisite course or mark for the selected course, you will be given a warning. In which case you need to pick another course level (Applied/Academic).
      iii. If there are no warnings, click "Add Course."
   b. Repeat this process until all SIX compulsory subject courses are full.
   c. See the back of this page to determine your two elective and two alternate courses: choices 1 to 4.
   d. For your **Elective Courses,** start with your first choice. Then, repeat the steps for your second choice.
      i. Click on the course.
      ii. Filter by grade.
      iii. Select a discipline to view the courses available under each.
      iv. Select a course to view the course description and prerequisites. If supplementary forms are needed (e.g., application), links to those forms are provided on this page.
      v. Click "Add Course" if you wish to select and there are no warning messages.
   e. For **Alternate Courses**, ones you may get if your first two choices do not work out (choices 3 and 4), click on "Alternate Course."
      i. Repeat steps in "d." (above) until all alternate courses are full.
      ii. Be sure your Alternate Courses are listed in order of preference.
4) Make sure you have **10 courses selected** for next year. Your ideal timetable should be listed in the top section, with your two alternate courses, in order of preference at the bottom.
5) Once you have selected all your courses, click "**Review Course Selections.**" Make sure there are no issues listed with any of your selections. If there are, go back and edit the necessary course(s) by selecting a different course or level (applied/academic).
6) When you are confident, click "**Submit Course Selections.**" Once you click submit, you will be locked out of course selections and will not be able to change your selections on your own.
7) Click "**Print Sign-Off Sheet.**" Read and print the sign-off sheet. This sheet needs to be **signed** by you, a parent/guardian, and, if course permission is required, also by that teacher.
8) **Submit the Sign-Off Sheet to the office by 9:00 a.m. on Monday, March 4.** Note that your course selections are not complete until the Sign-off sheet and any necessary applications are in the office.
9) If you wish to make **any changes to your course selections** once your sheet is submitted, you will need to do so **through your guidance counsellor or by having your parent or guardian email schedules@tdchristian.ca.**

Grade 10 Elective and Alternate Course Options Work Sheet

Choose exactly **FOUR** of the following options and rank the four courses you pick from 1st to 4th on this sheet to help with your selections in My Blueprint.

Course selections are used to design next year's timetable. Whether or not the courses listed below will run next year depends on student interest, teacher, and room availability.

Discipline	Course Name (*Course Code*)	Rank
Arts	Drama (ADA2O)	
	Music (AMI2O)	
	Visual Arts (AVI2O)	
French	French (FSF2D)	
Health & Physical Education	Healthy Active Living (PPL2O)	
Technology	Communication Technology (TGJ2O)	
	Environmental Block (THJ2O)	
	Technological Design – STEM (TDJ2O)	
Unlisted	Resource (non-credit)
