**On Thursday evening, June 2<sup>nd</sup>**, the musicians of the TDChristian music department distinguished themselves in their first live, in-person concert in two years. The audience was warm and welcoming and provided tremendous encouragement and affirmation to the performers. In addition to Ascension, the Concert band, the jazz band and members of the choir, soloists, including Simeon Hwang on Piano, Evan Falconer on Guitar and vocalist Carmela Monaco delighted those in attendance. **On June 3<sup>rd</sup>** members of the choir were treated to a wonderful workshop on South African vocal and dance traditions. The picture above shows members of the TDChristian Jazz band after their performance at Canada's Wonderland on June 8<sup>th</sup>.

As we approach the end of the year, all those who are using TDChristian equipment or instruments from the Music Department are reminded that these items must be returned **before June 17<sup>th</sup>**.
