With the shift to online learning, we want to remind all students that help and support is still available to you. Connect with your teachers and your classmates through Edsby. Ask questions in your Zoom lessons. Also, take advantage of the support that is available to you from The Learning Commons. Check the announcements each morning for Zoom Links where someone will be waiting to support you as needed. Alternatively, if you have an IEP or a Learning Profile you are welcome to come into school for additional support from 8:30 am – 3:10 pm. Please have your parent/guardian contact me (Mrs. Jaworski) so we know who to expect in-school this week.

Daily Reminders

After School Homework Help is available mainly for students in Grades 9 and 10 every Tuesday and Thursday after school from 2:25-4:00 pm (even while online). If you are interested in having your child attend, please send Mrs. Jaworski an email (jaworski@tdchristian.ca) or Edsby message. All students hoping to attend must be registered so we can ensure we have staff present to support all who come.

Project Day In-School Support: Help is available at school during Project Days. Teachers will be available in the Learning Commons from 9:00-3:00 pm to assist those with their projects as necessary. If you would like your child to attend, please send Mrs. Jaworski an email (jaworski@tdchristian.ca) or Edsby message confirming which project days you would like your child to have support with. Transportation is not provided on these days.
