

## Project Day – Data

Main Ideas – Complete 2.3 and 2.4 from the textbook, do the Bias Assignment, and then continue/begin thinking about your ISU.

1. Sampling Techniques
  - a. Read through 2.3. Take notes on the terms (bolded) and different types of sampling.
  - b. Then answer questions pg 117: #1-2, 4, 5 (we have about 450 students), 8, 9.
2. Bias in Surveys
  - a. Read through 2.4. Take notes on the terms (bolded) and different types of bias.
  - b. Then answer questions pg 123: #1-4, 6.
3. Answer 2.3 and 2.4 from the handout
4. “Rose Coloured Glasses” Assignment
5. Develop ideas or do research for your ISU. If you are shooting for over 90%, make contact with someone who may benefit from your work with the data.
