

Summer School 2018

Summer school registration is now open for almost all school boards!!

TDChristian does not run a summer school program.
Students needing to attend summer school will do so via their local
public/catholic school board.

Below is a basic summary of important summer school registration
information from the various school boards in our district.

All forms must be signed by the Guidance department.
For more information, contact Mrs. Dengerink in the guidance office.

NOTE: Please DO NOT WAIT for the registration deadline, as courses fill-up early. Register early if there is even a **chance of needing summer school. If you do not end up needing summer school, you can always cancel your registration.**

See below for details on each region.

**Forms can be picked up in the Guidance Office, however, a few boards require on-line registration only.
Last day to have a form signed by TDCH is June 21, 2018.**
