

Membership @ TDChristian 2019-20

Have you become a member of TDChristian? If not, find out how you can make a positive difference in the running of the school.

By registering your child at or supporting TDChristian you have gifted teenagers with learning experiences and opportunities, as well as memories, that will benefit them for a lifetime. The TDChristian Board of Directors invites you to take the next step and become a member of Toronto District Christian High School. Members share their ideas and are a part of the ongoing planning that shapes the school's future, including contributing to, discussing, and voting on key issues and helping to make financial decisions.

The best way for you to stay connected, be informed and feel the pulse of TDChristian is by becoming a member! To learn more, come to a New Members Meeting where we share some of the school's history since its inception in 1963, we take you through TDChristian's Identity Statement, we outline how the school is run (governance and bylaws) and we give examples of how members help make TDChristian a viable Christian institution.

Following or during the New Members Meeting you will have an opportunity to share your story of learning about TDChristian and/or how it has figured into your life or learning. At the end, you will speak to a board member, ask further questions and/or apply to for membership, if desired. Finally, the Board reviews and approves applications for membership at subsequent monthly meetings.

In addition to attending a New Members Meeting, requirements for membership include signing that you agree with and support the vision articulated in the school's Identity Statement and paying an income tax deductible annual fee of \$25.

This year, the first scheduled meeting is on Thursday, October 17. Sign up at the same time as you do for Learning Dialogues (times for parents/guardians/homestay parents and/or students to meet their teachers and talk about learning).

If you have further questions, email Board Administrative Assistant, Lynne Elliott at elliott@tdchristian.ca.
