

COVID-19 PROTOCOL

TDChristian High School

March 21, 2020

The March Break ends on Monday, March 23. Our school building will remain closed until further notice. However, VIRTUAL learning will commence on Tuesday, March 24! Teachers are busy preparing ways to deliver their courses digitally.

Here are highlights:

- Most courses will continue via Edsby.
- Lessons will be taught and new assignments will be given, collected, and marked.
- A school day schedule will be posted so that students know when their specific classes will meet via virtual learning.
- Teachers, students and staff are already deeply connected through Edsby, our online education and school management platform.
- Lessons, videos, assignments, plans, notes and more can be accessed 24/7.
- Our teachers and staff will continue to be available, communicating with students through Edsby messaging.
- Parents, guardians, and homestay parents have the ability to directly message teachers.
- Some teachers are working with our Tech Department to deliver lessons via videoconferencing. Other teachers already post instructional videos and will continue to do so.
- All students can access to Office 365 and the complete Adobe suite of products and applications at home.
- Our Resource department will continue to support our learners with specific needs.
- An announcement about Parent-Student-Teacher Learning Dialogues will be made in the coming week.
- Look for Daily Announcements and our Fridge Door newsletter online.

We acknowledge that these are difficult times. We appreciate your partnership – families, students and the greater community. We will move forward actively in faith and prayer, making decisions by continually seeking God's direction day-by-day.

The team, at TDChristian will continue to work hard at continuing to provide learning opportunities begun earlier this semester at our building at 377 Woodbridge Avenue.

We are committed to enfolding, engaging, and empowering our students to learn for service in the light of God's Word, and pray for the day when we can come back together in person.

If you have any questions, comments, or suggestions, feel free to email info@tdchristian.ca.

In the meantime, we pray that you and your loved ones may remain safe.
