

Summer School 2020

Summer school registration is now open for most school boards!!

TDChristian does not run a summer school program.
Students needing to attend summer school will do so via their local
public/catholic school board.

Below is a basic summary of important summer school registration information from the various school boards in our district. This will be updated when more information is available.

All forms must be signed by the Guidance department.
For more information contact Mrs. Dengerink at dengerink@tdchristian.ca.

NOTE: Please DO NOT WAIT for the registration deadline, as courses fill-up early. Register early if there is even a **chance of needing summer school. If you do not end up needing summer school, you can always cancel your registration.**

See below for details on each region.

Check each board's website for registration forms and procedures. Mrs. Dengerink is available for assistance with Credit Counselling summaries and summer school course approval. Contact her at dengerink@tdchristian.ca.
