

Athlete Transportation Consent Form

This form should only be used to obtain permission for students driving students.

To be filled out by the parent or guardian.

Name of child: _____

Name of parent or guardian: _____

School Year: _____ - _____ Season: All Fall Winter Spring

TDChristian requires explicit permission from parents to allow their students to drive other students, and to be driven by other students, for school-related activities including athletics events. A parent's decision to choose to not have their child drive or be driven by other students will not impact their child's status on a sports team in any way. However, many times it is helpful to have senior students assist with driving, and we would appreciate your filling out this form.

Students must follow current school guidelines with regard to mask wearing while in vehicles.

I grant my permission for my child to travel from the school to a game or tournament or from a tournament or game to the school using transportation not provided by the school. My child may:
