# Grade 11 Course Selections – TDChristian High School

## Instructions and Course Options for 2023-24

The process of using *myBlueprint* for course selections is closed. At this point in the year, students who wish to make course selections for next year need to complete and submit BOTH sides of this page.

Course descriptions can be found in our *Course Calendar*, located on our website under Course Info.

### COMPULSORY COURSES:

Every Grade 11 student will take the following compulsory courses next year: English, Math, and Perspectives.

Please select (✓) which of the following courses you wish to take next year for English and Math:

English	
College (ENG3C)	
University (ENG3U) – need ENG2D	
ESL (ESLDO/ESLEO)	

Mathematics	
Every Day Living (MEL3E) <b>permission needed</b>	
College (MBF3C)	
Mixed (MCF3M)	
University (MCR3U) – need MPM2D	

### ELECTIVE COURSES:

In addition to the above compulsory courses, students will take 5 elective courses next year. The selection of those courses is done by following the instructions on the back of this page.

After completing both side of this page, please have this sheet signed by a parent or guardian and then submit this form to the office, or send a scanned pdf copy to [schedules@tdchristian.ca](mailto:schedules@tdchristian.ca)

Please include any notes that may be helpful as we plan classes (i.e. attending summer school for . . . , post secondary goals, IEP information, any online courses you wish to take, etc)

**ELECTIVE COURSE OFFERINGS****NAME:** \_\_\_\_\_

Below is a list of all the elective course options being offered next year. Select **9 courses** and then rank them 1 through 9 (#1 being the course you need/want the most).

Course selections are used to design next year's timetable. Whether or not the courses listed below will run next year depends on student interest and teacher/room availability. Ideally you will get your top 5 picks, but that does not always happen, so you are asked to pick extra courses just in case.

**SCIENCE NOTE:** All students attending TDChristian need to take at least one senior level (grade 11 or 12) Science course (bolded). For all university level Science courses (except SES4U), students must take the Grade 11 course before taking the Grade 12 course. This is not the case for college level as, in Ontario, there is only one grade level for each subject.
