Description: 8 Piece Kit, Color Black, Attaches To Any Vacuum Cleaner Hose. Also Great For Printers, Typewriters, Office Machines, Sewing Machines, Keyboards, Automotive Interiors, Stereo And Video Equipment 8 Piece Kit, Color Black, Attaches To Any Vacuum Cleaner Hose.

Item 2: PET TOOL, VAC'N GROOM PET TOOL - GREEN BRISTLES (\$30)

Well-groomed pets are happier, better behaved and healthier! The vacuum pet brush attachment that lets you easily groom your pet and vacuum up unwanted hair at the same time.

Simply connect the pet brush attachment to the hose of any vacuum cleaner and you are ready to remove all the unwanted hair from your pet, upholstery, carpets or any surface. By brushing your pet's coat with the vacuum pet brush attachment, you will remove loose pet hair from the coat before it sheds around your home; the brush separates, lifts and removes deeper hair and dirt from your pet's coat leaving a fresh groomed look and giving the skin a chance to breathe. It also removes your pet's dead skin cells, improving coat condition. Shed fur is removed and deposited directly into the vacuum cleaner's bag/can while grooming. Our unique release mechanism allows for easy discharge of trapped fur without having to struggle and manually clear the grooming tool for continuing use.

Routine grooming will keep your pet's coat clean and healthy, removing unwanted matting and debris and distributing natural oils throughout the pet's coat. It is very effective for pet owners who suffer from allergies; it allows you to vacuum away unwanted hair and allergens while grooming too!

Item 3: TURBO-BRUSH FOR TEXTILE WALL AND FLOOR COVERINGS/CARPETED STAIRS AND UPHOLSTERY Note: Grey (*NOT Black*) (\$50)

This air driven hand tool has a rotating roller brush that is activated by air, which is drawn through the head to loosen dirt and to collect any fluff and hair. It offers a swivel neck for ease of use and to help get into tight spaces and maneuver around items.

This is a great attachment to clean carpeted stairs, rv's, upholstery, mattresses, car interiors, and a carpeted car trunk.

Item 4: DUST MOP, MICRO FIBRE – (\$40)

Mop head tool with microfibers for vacuum cleaners. Width of 12.5 inches. Fits onto any standard wand. Ideal brush for an efficient and quick dusting of walls, ceilings, plinths, door frames or any other large surface. Its flexible fibers get suspended dust on hard wood floors and prevent scratches. These fibers are attached to a removable hook-and-loop fasteners strip so you can wash it in a washing machine. This mop head brush cleans and dusts thoroughly and quickly any vast or high surface.

- Machine washable microfibres
- Prevents scratches
- Ideal dusting tool for central vacuum
